وَالْمُؤْمِنُونَ إِذْ يَرَوْنَهُمْ يَقُولُونَ إِنَّمَا
يَرَوْنَنَا لِنَعْلَمُ أَنَّا لَمْ نُؤْمِنْ بِكُمْ وَلَمْ
يَأْتُوكُمْ بِالْحَقِّ فَلَا يُكَفِّرُونَ

The image consists of two side-by-side photographs. The left photograph shows a white, curved plastic component being fitted into a dark, metallic frame, likely a door panel or trim piece. The right photograph shows a black, curved plastic component being fitted into a similar dark, metallic frame. Both images are taken from a low angle, focusing on the mechanical assembly and the components being installed.

This image is a composite of two black and white photographs. Both images show a close-up of a person's hand, palm facing forward, holding a small, light-colored object. The object appears to be a piece of debris, a small tool, or a component from a larger item. The background is dark and indistinct. The lighting highlights the texture of the hand and the object being held.
